

11 INCREDIBLE MOONLIGHT DINING EXPERIENCES The Vines of Mendoza Resort & Spa, Argentina

At The Vines of Mendoza winery in Argentina, Siete Fuegos restaurant welcomes guests to the vineyards for a traditional outdoor asada, grilled with flair by Chef Francis Mallmann. The Vines of Mendoza is opening guest accommodations this October....possibly as a necessary convenience for all the dinner guests who fall asleep by the fire after an excess of Argentina's famous beef and the winery's critically acclaimed Malbec.
